THE ADDRESS

CORK

A Rich History A Bright Future

This is something very special a circa 150-year-old Victorian building that has been re-designed in sympathy with the beautiful style and heritage of its time.

Having being built originally as a Hospital, the building has always served as a place of care and attention, a history that The Address Cork continues to this day.

Each event space of the building has been tastefully curated as a unique venue including modern in-room technologies and ample space for events of up to 300 delegates.

There are 3 event spaces in the Hotel ranging from an intimate boardroom to the iconic Bellevue, designed with large delegations in mind.
